

## **TMS Fellow Member Eligibility List**

### **Revised December 31, 2023**

The following is a list of individuals who have been TMS Members, in good standing, for at least ten consecutive years. If you feel that your name has been omitted, or placed on the list by mistake, please contact the office and the error will be investigated and corrected if appropriate. Article III, Section 2, item (d) of The Masonry Society bylaws states that any individual who has been a member of TMS for ten consecutive years and has provided outstanding contributions to masonry may be nominated as a Fellow member by one of their peers. This distinction shows that others recognize an individual's commitment to advancing masonry. It is an honor to be nominated.
