

CLOSURE STATEMENT

TMS 402/602 Building Code Requirements and Specification for Masonry Structures Committee
Building Code Requirements and Specifications for Masonry Structures
TMS 402/602-22
April 14, 2022

Dear Phil,

In accordance with Section 5.3 of the TMS Technical Committee Operations Manual, this letter is submitted to you on behalf of the TMS 402/602 Building Code Requirements and Specification for Masonry Structures Committee, which operates under the ANSI-accredited technical committee operating procedures of The Masonry Society. This letter is submitted to you in fulfillment of those requirements as the TMS 402/602 Building Code Requirements and Specification for Masonry Structures Committee concludes its work updating and maintaining the mandatory-language document Building Code Requirements and Specification for Masonry Structures Committee (TMS 402/602) and the corresponding non-mandatory commentaries.

Committee activities over the past six years have focused on updating these standards to reflect the current knowledge and best minimum practices for the design and construction of masonry units embedded in mortar for structures and veneer within the scopes of the standards.

Formal records and documents related to the Committee actions pertaining to the updates and revisions to TMS 402/602-22 at posted at:

<https://www.dropbox.com/sh/nzz6p98cge6fkdp/AADYeJceugrc9jr9yUfkWKvOa?dl=0>.

This includes agendas, minutes, ballots, ballot summaries, responses to TAC comments, and responses to public comments. I shall be happy to answer any questions that you may have regarding this submittal.

Very truly yours,

John Chrysler
Chair,

TMS 402/602 Building Code Requirements and Specification for Masonry Structures Committee

cc: TMS 402/602 Building Code Requirements and Specification for Masonry Structures Committee
Scott Walkowicz, TAC Liaison
